Re payment of contribution from District Board towards the construction of a Town Hall at Chennapatna

With reference to Government Order No L C457-C0/W1 168-25-1C dated 16th April 1928 ordering the payment of a sum of R8000/- towards the construction of Town Hall at Chennapatna I have the honor to state that the matter was considered both by the Standing Committee and the District Board at their last meeting and they have resolved that a sum of R2000/- might be contributed for the purpose A copy of their resolution is enclosed

In this connection it will not be out of place to mention that out of the sum of R.7153/- in cash and R6000/- in bonds received from the Taluk Board of Chennapatna, on the recommendation of the Deputy Commissioner three-fourth of this amount is earmarked for public works to be spent in this Taluk and according to this resolution of the Board works costing about R9109/- have already been taken up and there are many other schemes which are in urgent consideration of the Board So this sum received by this Taluk Board cannot be exclusively set apart for contributing towards the construct on particularl of a Town Hall There are many other urgent and more useful works which require immedia e attention of the Board In view of all these facts the Board have decided to contribute R2000/- as the Taluk Board had on a former occasion resolved to contribute this amount

I request that sanction of Government may kindly be accorded to make a contribution of R2000/- out of the closing balance at the credit of the Board as no provision has been made in the current year's budget
